# ROSSLYN HIGHLANDS PARK +

## COORDINATED OPEN SPACES PLAN

Join our community workshops for a chance to share what YOU want to see at YOUR park.

### WHY?

Arlington County will develop a plan for a new Rosslyn Highlands Park and other nearby open spaces (RHP+).

Help us find answers to these questions:

- How will the three spaces be related to each other?
- What park amenities should be included and their locations?
- How can we maximize green space, tree canopy?

In addition to these workshops, you can provide feedback online throughout the process.
